Live Remote Demonstration by Lyle Jamieson

What happens when you have a demonstration going at your club meeting? Participants are sitting around looking at a monitor and listening to the demonstrator using a microphone and amplifier.

When I, as a demonstrator, am there in person, the participants can not all get up and stand behind me and look over my shoulder to see my techniques, they look at the monitor. They are not all sitting directly in front of the lathe so they can see the shapes develop, they look at the monitor.

Soooo, why do I need to be in your shop? With a Live Remote Demonstration I will have multiple cameras and live audio and video with good quality production.

You will be able to see:

- o The lathe
- o The workpiece zoomed in close from multiple angles
- o Video of me as I address the participants
- o You can see and hear me and I can see and hear you
- o I can ask and answer questions live
- o You can ask and answer questions live

... making **Good Shavings**

President's report for September 2017

- **A live video demonstration with Lyle Jamieson** is scheduled for this month's meeting. This will be a first for our club. Lyle will be in his shop in Traverse City, Michigan able to see us and take questions. We will do an abbreviated opening to allow Lyle to do a long demonstration. You will want to see this for sure.
- **"Bob's Challenge"** for September is a small kitchen "coffee" scoop. These normally have the scoop opening perpendicular to the axis of the handle. The response to Bob's captured ring challenge was great with a lot of innovative ideas. I know that there is going to be a real challenge coming for October so stand by. Remember you get one quarterly drawing ticket for each challenge you participate in and don't forget your name card for the photos.
- **RISE turning demonstrations at Lake Grapevine** went great with good weather and many more attraction attendees than previous years. Thanks to all of the guys who turned cars and tops for the enjoyment of the physically challenged.
- **Upcoming events:**
 - **Turning Demonstrations** at Rockler in Arlington on October 7th and Woodcraft in Hurst on October 13th and 14th. John Horn will be passing around a signup sheet for these events. This is a good chance to meet fellow turners and potential new club members. Lathes are provided by the businesses.

- **Nominations** for club officers will be during this month's meeting with elections in October. All offices are to be elected or re-elected. The president, vice president, secretary, librarian and at large positions will be vacant. The remainder of the positions have agreed to stay, if elected. You may nominate someone to fill any office, vacant or not.
- **Two classes will be held by Charley Phillips.** Embellishing beaded Christmas ornaments on October 26th and woodburning and surface decorations on October 27th and 28th. Signup with Charley at the meeting.
- **Christmas Banquet, raffle and turning auction on Saturday December 8th** will be a great time to celebrate together with a wonderful meal, raffle and door prizes of tools, wood and lathes then our famous turning auction. This auction is the primary financial support for our club so start saving your dimes and dollars.
It is not too soon to start looking for that special piece of wood and that special design for your donated turning.

Empty Bowls is another WNT community program that continues through the year. Those that turn the most bowls get first choice at attending the luncheon in February. Bowls, pots, pens, any turned item is acceptable so bring your contributions to the meeting where they will be collected.

See you at 6:30pm Thursday and be safe.
We don't need a new "safety coordinator".

Glynn Cox
President

Calendar of Events

**Sept 28th - Regular Monthly meeting 6:30 PM, Lions Club,
Demonstrator: Lyle Jamieson
Remote Demo - "Hollowing"**

Oct 7th - Rockler - Woodturning Demo

Oct 13th & 14th - Woodcraft - Woodturning Demo

**Oct 26th - Regular Monthly meeting 6:30 PM, Lions Club,
Demonstrator: Charley Phillips
"Embellishing Beaded Christmas
Ornaments"**

**Oct 27th & 28th - Woodburning and Surface Decoration classes
by Charley Phillips**

Nov 30th - Open Shop

**Nov 30th - Regular Monthly meeting 6:30 PM, Lions Club,
Demonstrators: Chris Morgan, John Solberg, Pete Tkacs
"Finishing"**

WNT BEANCOUNTER'S BULLETIN- SEPTEMBER 2017

2018 MEMBERSHIP RENEWAL BEGINS NOVEMBER 30

The cost of membership is \$24 per year. Membership renewals are due at the first of the year. **Beginning at the NOVEMBER meeting**, pre-printed membership renewal forms will be available with the member's individual data pre-printed from the October 31 WNT roster. The member will be asked to review this information, **MAKE NECESSARY CHANGES**, sign and date the form and pay the \$24 dues. **Check or cash, no plastic. When paying with cash, exact change is appreciated.**

WNT 2017 CHRISTMAS BANQUET-DECEMBER 9, 5 PM (SET UP 4 PM)

Please add the date to your calendar, share this with your family, and plan to attend.

AUCTION ITEMS

Hopefully all of us have at least begun planning for our turnings for the auction. A major portion of the 2018 budget depends on our participation.

RAFFLE AND DOOR PRIZE ITEMS

WNT purchased items will include a mini-lathe, chuck, grinder, electric chain saw, and several turning blocks purchased at SWAT. Local vendors will participate and we will have gift certificates from Craft Supplies.

We as members are encouraged to enhance the door prizes and raffle prizes by donating a tool, turning block, or other woodturning related items. One of our members is donating a Turncrafter mini lathe, another, a Grizzly Midi-lathe.

The tools should be new or gently used. **NO JUNK OR WORN OUT ITEMS PLEASE.** You may have a tool or two that you "just had to have" and

which you used a couple to times but is gathering dust and needs to be put in someone's hands that will put it to use.

I will begin receiving donated items at the October 26 meeting, and would prefer receiving them not later than the November 30 meeting so they can be included on the printed list of door prize and raffle items. If you forget, donations of tools will still be welcome at the banquet.

RAFFLE RULE CONTINUED!

The top prize, a Grizzly Model T25920 12x18 variable speed mini-lathe will be the last item raffled off rather than being available for the holder of the first ticket drawn.

WNT 2017 MEMBER DIRECTORY

The new directory is now available. Email me at jhaynescpa@sbcglobal.net to request a .pdf version.

If you inadvertently got an old 2015 directory at the last meeting, I apologize for getting them mixed up. See me for the right one.

Resident Beancounter

James Haynes, Treasurer

October Classes with Charley Phillips on October 27 & 28

Embellishing Wood Turnings with Pyrography

All classes will be held at the studio of Charley Phillips at 506 Post Oak Dr. in Newark, TX 76071. The class fee for each all-day class is \$60 which includes a pre-turned vessel, water colors and/or paint.

Registration will begin at 3:00 PM August 31 during OPEN SHOP.

For other information, contact Charley Phillips by text at 817-437-5310 or e-mail charley@charleyphillips.com

Friday, Oct. 27th class starts by burn lines in a turned basket and then moves to drawing and burning a herringbone pattern on the rim of the basket. From there a beaded pattern is created for the basket and painted on using watercolor paints.

You will need a wood burner with a skew tip. Bring a 1/8" beading tip if you happen to have one as it is very useful to burn the vertical lines, but not required. The herringbone pattern is burned with the skew tip. Turning and paint supplied.

Equipment and tools:

Wood burner (**Student must provide own Wood Burner and burner pens with tips**)

Sharp edge 1/4" skew burner tip

Optional: 1/8" beading burner tip

3/0 spotter paint brush

Saturday October 28th class will be on “Burning a Design on a Wood Turning”.

If there is time we can paint the burning using watercolor paints.

Turning, pattern and paint provided.

Equipment and tools:

Wood burner (**Student must provide own Wood Burner and burner pens with tips**)

Wood burner skew tip

Wood burner spear point shader tip

#1 round paint brush

1/2” angle brush

*SWAT 2017 has come and gone
SO
here is a recap in pictures*

It Featured

- 1. An Art Gallery where attendees displayed their work.*

The large flower was done by Marty Kaminsky who recently demonstrated photography at our club.

Beads of Courage was well represented

Our people hard at work

There were hands-on opportunities to turn.

And, as promised, there were VENDORS

Of course the Saturday night banquet/Drawing and the Sunday lunch/Drawing had everybody's interest too. Our club had a few winners and we all had a good time.

Our own Stormy Boudreaux was President for a successful 2017 SWAT.

WNT was well represented.

Quite a few members won items

Mary won 1 of the Table prizes

This young man came all the way from Australia!

I would like to again thank everybody who assisted with room setup, helped reconfigure the room prior to and after the special demonstration Friday night and a special thanks to everybody who helped load up Sunday when it was all over.

*I would also like to thank **Bill Holt**, Don York, **Jim Barkelew**, Danny Woods, **James Boyett**, Tom Beatty, **John Horn**, Dick Koch, **Rick Gauthier**, John Laudebaugh, **Glynn Cox**, Richard Kenyon, **James Haynes**, Ray Moyer, and **Jim Bragdon** who volunteered to assist in the room for a rotation.*

That's about it for the SWAT newsletter this month/Year.

I will be going to the SWAT 2018 directors meeting in January. As always, please give me any suggestions/input you might have and I will pass them on

*Bob Clark
raandmtcg@gmail.com*

Who's up for a Challenge?

The challenge program's goal is to encourage all members to participate and to grow their capabilities. It is a chance for experienced turners to turn something they never have tried and for new turners to learn.

The August challenge was to turn anything with a captured ring. Twenty (20) members turned items ranging from baby rattles to a diorama including a goose with a captured Auring as a collar. Sizes ranged from a large Baby Huey rattle to miniature wine and champagne glasses. This was an excellent turnout considering that 50 of our members attended SWAT. Below is a list of members who turned items for the August Challenge:

Sharon Ayres	Glynn Cox	John Lauderbaugh	David Walker
Jim Barkelew	Rick Gauthier	Ray Moyer	Joe Wigner
David Baulch	Bill Holt	Larry Sweeney	Bob Wiggins
David Carter	Bruce Imsande	Jim Tanksley	Scott Wisdom
Bill Collins	Richard Kenyon	Pam Thompson	Michael Wright

The challenge for September is to turn a scoop. The scoop should have a turned handle and a turned scoop all from one piece of wood. No glue joint. If you are having trouble or just need a little direction you can call me or Tom Beatty and we will be glad to assist. Hope to see you at the meeting.

Hope to see you Thursday.

Bob Wiggins

R.I.S.E. Event

September 9th we had 8 club members with 5 lathes turning cars and tops for those where attending. The weather was great and they fed us too.

Do not miss the chance to participate in this or any of our outside events. You will learn a lot as we all did plus it was a great time. Watch for Rocklers, Woodcraft plus two school events in the coming months.

Those at event:

Glynn Cox John Lauderbaugh

Rick Gauthier Ray Moyer

Bob Wiggins Ron Traylor

David Baulch Ronnie Nuzum

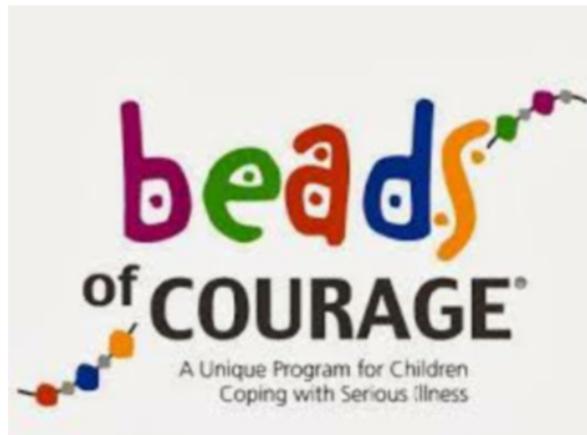

Last Month's Critique

Each month we have a Critique table where members can bring in items they have turned for a constructive critique of their turning. We encourage all members, especially members new to turning, to submit their turnings for critique. One of our members who is recognized as being an “expert” turner does the critique. The objective is to provide constructive input to help members develop their skills. All of us learn from the critiques.

Due to time constraints at the meetings and inputs from membership, a Board member will select three (3) items to be critiqued. However, we encourage members to bring turnings since all of our membership learns by looking and touching someone else's turnings. Below is a list of the turners who participated in the August critique process.

Don Christianson

Bill Collins

Thanks to each of you that took the time to make a B of C box. We had 54 wonderful Boxes. If you did not have to start or finish one you are in luck. We will take them anytime of the year. We have been making two trips to deliver the boxes each year. They have been needing about 20-30 each visit.

We are meeting with our contacts at Cooks Children to make sure what we have been turning in is what they need.

Again thanks for the club and from Ron and myself for making it another great year. We will do it again for next year.

EMPTY BOWLS

Empty Bowls is an annual fund raising event for the Tarrant Area Food Bank. The Food Bank provides food to sister agencies in 13 surrounding counties. The sister agencies then provide the food to needy children and families. Patrons at the Empty Bowls event pay \$60 or more and get to choose a bowl (wood, ceramic or glass) to take home and sample food from numerous booths of local restaurants. There are also numerous corporate sponsors that provide a sizeable portion of the total donations. This last February the event raised \$241 thousand, which is slightly more than last year. The next Empty Bowls event will be March 7, 2018.

We have accumulated 109 bowls and four other items. Sandy Jarrell is still at the top of the list. **So far only 9% of our members have contributed for this worthy cause.** We need the other 91% to help out also.

This last month Jim Barkelew donated the very first segmented bowl I have seen and it's good size. These bowls go on a different table at the Empty Bowls Event called Gallery Bowls. Besides the ticket these nicer bowls have an additional cost. I would think Jim's bowl would bring in another \$90 for the Food Bank. Keep them coming.

We have a long ways to go to get to a respectable number by March 2018.

If you have any questions or comments, let me, Ron Traylor, know at randkbiz@msn.com.

Anchorseal®

The club has purchased a 55-gallon drum of Anchorseal sealant for green wood and it is available to members for \$10.00 per gallon. It can be purchased at club meetings. Contact James Haynes for payment.

Rules for advertisements: Free ads are available only to WNT members. The deadline for submission or cancellation of an ad is the 10th of the month to be placed in that month's newsletter. Ads will only run for one issue unless notified (email wntnewsletter@gmail.com) by the 10th of the month. Also, if you decide to cancel an ad, please notify the editor (have you spotted the trend yet?) by the 10th of the month.

The Regular Monthly Meetings are held on the last Thursday of each month at the Handley-Meadowbrook Lions Club, 6013 Craig Street, Fort Worth, TX.

Board meetings are held on the second Tuesday of each month at Niki's Italian Bistro, 5237 Davis Blvd. (FM1938) in North Richland Hills. Check the WNT web site for any updates. All WNT members are invited to attend. If you would like to join the group for dinner, it begins at 5:30 PM and the business meeting starts at 6:30 PM.
